

# FRANZEN

The blue Original  
Automatic chain sharpener SA6

recommended by:

The SA6 sharpens **all** types of chains

*Why choose Franzen Equipment?*

- ▶ Short set-up time (ca. 30 seconds)
- ▶ Sharpens teeth and rakers in one cycle; separately adjustable
- ▶ Automatic tooth-detection; also for damaged or missing teeth
- ▶ Automatic sharpening process; no surveillance necessary
- ▶ Special corundum grinding wheels ensure top of the line results
- ▶ quick conversion to special chains with Franzen conversion kits
